347-631-8247 • New York, NY • [vejigante@protonmail.com](mailto:vejigante@protonmail.com)

Recent graduate of a Java coding bootcamp with experience developing full stack web applications. Excited to take strides towards a future where people can coexist with nature, and technology in harmony. Interested in interactive media, audio, urban farming, tinkering, unlearning, and ecology. Seeking opportunities to intertwine the arts, science, and technology.
